### Fog City Stompers

The Fog City Stompers have been playing since 1985. In addition to the great old standards, which include arrangements of the recordings of Bix Beiderbecke, they offer original compositions and new arrangements performed in the traditional Dixieland jazz style. They play currently at various establishments around the San Francisco bay area and at private affairs. Please come up and say hello to them.

- Tom Belmessieri - cornet
- Mike Young - reeds
- Rich Newcomb - trombone
- Mike Hart - helicon
- Ron Galen - banjo/guitar
- Gary Neuman - piano
- Scott Wild - drums

### President's Message

The Vets Home still doesn't have the tavern/cafe open, however, water will be provided. The club has been providing snacks all these months, with Marilee and Joe doing the shopping, hauling and setting up, but since they are in Italy, I am asking that those that want to bring snacks to share and that way no one will have to, take on the task of shopping, etc. It's a chore we are not up to this month. Hopefully, and I know I say this every month the tavern/cafe will be open next month.

We had such fun with Golden Gate Rhythm Machine last month. Without Scott and Jim, Bob directed the band and the musicians had a good time choosing tunes and everyone enjoyed dancing and listening. I've been in touch with Scott and GGRM is scheduled for next year and I hope with both Scott and Jim in attendance.

The Fog City Stompers will be on stage on October 13 and I imagine we will hear a lot of Bix and that is certainly a strong incentive to be there.

See you soon,

Linda
