Devil Mountain Jazz Band

DEVIL MOUNTAIN JAZZ BAND continues to develop their multi-style approach to preserving the popular music of the late 1800's through the early 1930's, and the west coast revival jazz of the 1940's. The eight piece band is best known for the two trumpet sounds of the Joe Oliver and Lu Waters bands and the orchestrated "hot dance" music of the late twenties. You'll also hear DMJB perform ragtime, blues, "Dixieland" standards, gospel and novelty tunes, and an occasional duck-call by Pete Main, or assorted strange- instrument solos by Pete. The band also recreates the New Orleans-derived hot jazz popularized by Armstrong, Hardin, Beiderbecke, Morton, etc., in Chicago in the late twenties. At many jazz festivals, they present special historical concerts celebrating the music of these jazz greats, and a new special show, "Bix & Bing", featuring our cornet player and vocalist, Tom Belmessieri.

Ken Keeler — Banjo, leader
Mack Horton — Cornet
Tom Belmessieri — Cornet
Ron Wetzel — Trombone

Pete Main — Reeds
Gary Neuman — Piano
Keith Baltz — Tuba
Allan Grissette — Drums

President's Message

Happy New Year to all! I hope this year will bring happiness and prosperity and lots of music for all of us.

Sorry to report that the cafe and bar are closed again and they are once again looking for someone to run the operation. We will provide snacks and drinks, no alcohol allowed, and if anyone would like to bring something tasty that would be appreciated.

We had a happy holiday party with Gold Coast providing great music in December. It's always a pleasure to listen to their tunes, many of which are not heard at other venues. With a good crowd, the party was fun both on the dance floor and off.

January will bring Devil Mountain to our venue with their hot jazz sound. Those guys don't need much in the way of mics - that's for sure. It's a good way to begin the new year.

Hope to see lots of folks at this meeting, as we will be dark in February due to the conflict with the Fresno Jazz Festival.

Look forward to see you all on Jan 12.
