

Hi folks - I'm sure it will be no surprise that we will be dark again this month. With the double whammy of the virus and the many fires (oh, and the heat waves, too) the Vets Home is still not open to outside groups and, of course, we are encouraged to continue staying home. It's a sad thing that we will have to miss the Golden Gate Rhythm Machine and their great sound.

Hopefully, in time, we will be able to enjoy our favorite music together. In the meantime, stay in and stay safe.

Hope you are all well.

Linda Stevens
