

Greetings everyone. As we head into March, 2021, the prospects of resuming our beloved Dixieland Jazz sessions increases, as the vaccinations continue to roll out. However, the timing remains uncertain as the local area begins to open up for in-person meetings. It may take some time to return to our special venue with the bands scheduled accordingly. We also continue to hope some of the venues and other organizations featuring our music will be able to restore their normal operations before long, too. The board will continue to monitor the situation and endeavor to restore the monthly meetings as soon as possible. We will keep you informed of the progress.
